

Inqalab (Stand Up Unite)

Stand up together
Unite together

Aankhon mein aag hai to khoon mein ubaal hai
Haanthon men jalta hua ye mashal hai
Inqalaab lab pe, dil men jeet ka junoon hai
Abb kahaan hai chain, ab kahaan sukoon hain

Naa koi dar hai, na kisi ka khauf hai
Hamein to khatron se khelne ka shaoq hai
Ek hi to jazbaa hai, ek hi to dhun hai
Abb kahaan hai chain, ab kahaan sukoon hain

Charsoo yahaan pe logon ki aankhon men khushi ho
Aarzoo yahi hai, yahi dekho apni khushi
Jeene ki suno aazaadi mile sab ko yahaan pe
Na na na mile kabhi bhi kisi ko bebasi

Naa ho koi bhi ameer, na ho koi bhi ghareeb
Rahe har koi yahaan bas dil ke qareeb
Mil jaae jo kisi ka yaahn pyar agar
Na ho dard ki fikar, rahe pyar ki qadar

Stand up together and unite together

As our great forefathers once said
Stand with pride
And stand side by side
For together as one
We can make the impossible possible
We can make the untouchable touchable
We can make the unsuccessful successful

Charsoo yahaan pe logon ki aankhon men khushi ho
Aarzoo yahi hai, yahi dekho apni khushi
Jeene ki suno aazaadi mile sab ko yahaan pe
Na na na mile kabhi bhi kisi ko bebasi

Naa ho koi bhi ameer, na ho koi bhi ghareeb
Rahe har koi yahaan bas dil ke qareeb
Mil jaae jo kisi ka yaahn pyar agar
Na ho dard ki fikar, rahe pyar ki qadar

Stand up together and unite together
