

A LEADER – BLAAZE

a leader - a leader
a leader - a leader
them see and them ah follow

its not what u will see
it is what u can be
so tell ur enemy
come be a friend to me

pray to the tulasi
if u r feelin' me
i am what I'm a be
now come follow me

you see me comin and u wanna see me fallin down
so what u waitin on
a leader
you feel me power and u know me am a blessed man me ah so strong
so what it iz that make u never wanna listen man me ah not wrong
me not a playa me not a slayer me just a man who is brown and a proud ah
me see the sign ah now is the time ah gather around throw ur hands up in the sky ah
liars me ah see them all around and in the fire is where they headin now now
me say why ya dem are trying take mi pride me say i i me ah be ready to ride
liars me ah see them all around and in the fire is where they headin now now
me say why ya dem are trying take mi pride me say i i me ah be ready to ride

its not what u will see
it is what u can be
so tell ur enemy
come be a friend to me
pray to the tulasi
if u r feelin me
i am what im a be
now come follow me
to be a man of peace
a man of honesty
a soldier on his feet
a preacher on his knees

a leader - a leader
dem see and dem ah follow
a leader - a leader dem see and dem ah follow
a leader - a leader dem see and dem ah follow me

you see me comin and u wanna see me fallin down
so what u waitin on
a leader
you feel me power and u know me am a blessed man me ah so strong
so what it iz that make u never wanna listen man me ah not wrong
me not a playa me not a slayer me just a man who is brown and a proud ah
me see the sign ah now is the time ah gather around throw ur hands up in the sky ah
liars me ah see them all around and in the fire is where they headin now now
me say why ya dem are trying take mi pride me say i i me ah be ready to ride
liars me ah see them all around and in the fire is where they headin now now
me say why ya dem are trying take mi pride me say i i me ah be ready to ride

a leader - a leader
dem see and dem ah follow
a leader - a leader dem see and dem ah follow
